## CHAIRPERSON'S STATEMENT

I am honored to present our first Bogus Basin Nordic Team Annual Report. For over 30 years, BBNT has been helping kids and now adults in the Treasure Valley pursue their Nordic ski dreams. Whether they are age 8 or 88, beginners or advanced skiers, we provide teaching and training to help participants set and reach their skiing goals.

Like many organizations, the global pandemic necessitated shifts and adaptations in our programming. I am proud of our community's flexibility and resilience in the face of adversity. Despite the challenges, we have many things to be proud of since 2020, such as: adding an adult team, growing the youth team to nearly 100 participants, hiring an Executive Director, putting on 2 large Intermountain division races with several hundred skiers, and partnering with Bogus Basin to grow

the Bogus Challenges into a vibrant Community Race series with over 400 race entries.

I am happy to report that we are heading into the 2023-24 season stronger than ever. We have big goals this year including new vans for the team and expanding our transportation offerings.

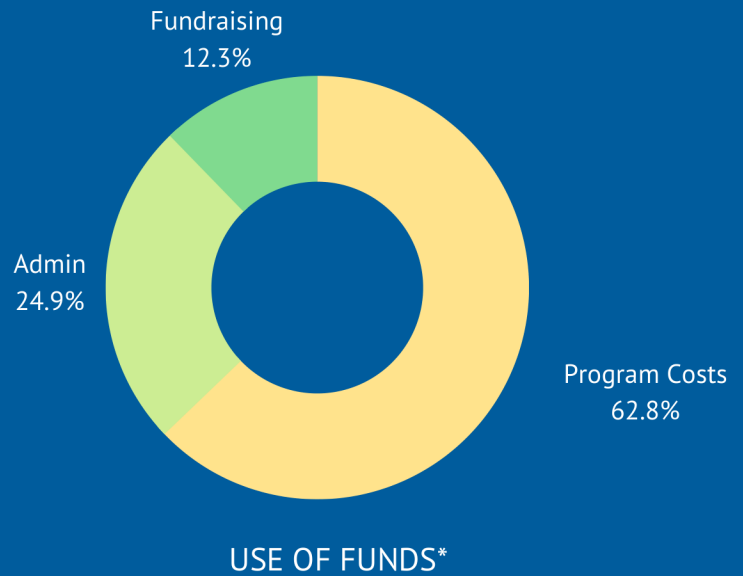

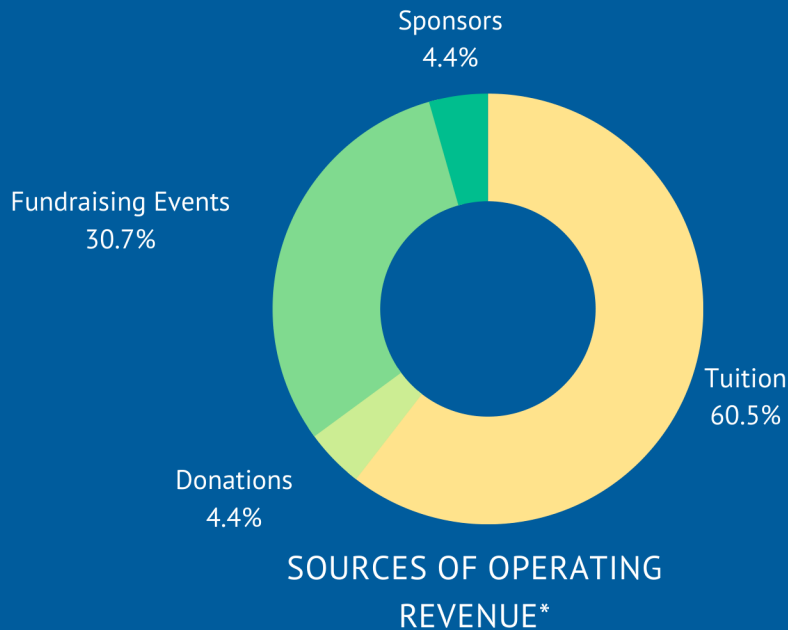

This annual report celebrates every donor, supporter, parent, partner and stakeholder that made the success of our organization possible. We could not do this without you. I'm looking forward to kicking off the season with you at our 2nd Annual Nordic Icebreaker on November 3rd, 2023. Thank you!

“THE COACHES THIS SEASON WERE AWESOME. THEY ALL ARE REALLY SUPPORTIVE AND GIVE GOOD ADVICE ABOUT SKIING AND SUBJECTS NOT REGARDING SKIING. IT WAS ALSO NICE TO HAVE SUPPORT AND GUIDANCE THROUGH INJURY DURING THE SEASON. THEY MADE ATHLETES FEEL LIKE THEY BELONG AND I LOVE ALL OF THEM A LOT!!”
